

BERGRIVIER MUNICIPALITY

FOURTH GENERATION INTEGRATED DEVELOPMENT PLAN (IDP) (2017-2022) REVIEW PROCESS

The Fourth Generation Integrated Development Plan for Bergrivier Municipality has been approved in May 2017 and is applicable for the period 2017 – 2022. The first annual review of the IDP is commencing in September 2017 and the theme for the review process is “*Economic sustainability and growth through investment*”. The anticipated outcome of the process is, besides a (potentially) revised IDP, an Investment Strategy for Bergrivier Municipality.

Each town in Bergrivier Municipal Area has its own unique character, identity and economic dynamics. The investment strategy must therefore focus on the investment opportunities in each town/community. In order to ensure input from the towns/communities, a range of ward committee meetings, town based meetings and an IDP Forum is planned. All organisations and individuals are invited to attend these meetings and give us your inputs:

Die Vierde Generasie Geïntegreerde Ontwikkelingsplan vir Bergrivier Munisipaliteit is goedgekeur in Mei 2017 en is geldig vir die tydperk 2017-2022. Die eerste jaarlikse hersiening van die GOP begin in September 2017 en die tema vir die hersieningsproses is “Ekonomiese volhoubaarheid en Groei deur Belegging”. Elke dorp in die Bergrivier Munisipale gebied het sy eie unieke karakter, identiteit en ekonomiese dinamika. Die beleggingstrategie moet dus fokus op die beleggingsgeleenthede van elke dorp/gemeenskap. Om insette van die dorpe/gemeenskappe te verseker, word ‘n reeks wykskomitee vergaderings, dorpsgebaseerde vergaderings en ‘n GOP forum beplan. Alle organisasies en individue word uitgenooi om hierdie vergaderings by te woon en insette te lewer.

Hierdie vergadering is oop vir verteenwoordigers van die verskillende sektore binne die munisipale gebied en sektorverteenwoordigers word genooi om hul voorneme om by te woon, te registreer by Mev A van Sittert by Tel 022 913 6000 of sb@bergmun.org.za.
