 - b) fish from a boat or vessel on a river while that boat or vessel is under motorized power;
 - c) swim within fifteen meters of either side of a slipway or boating active zone within the river;
 - d) leave a boat unattended in the water area unless it has been properly anchored, moored or removed to dry land at a safe height above the water level
 - e) use a boat on the river as a place of permanent abode;
 - f) launch a boat at a launch site that is not a launch site approved by the applicable authority responsible for approval of launch sites;
 - g) moor a boat at any place other than a private jetty or a place indicated by the Municipality and an authorised officer or the Municipality may move such boat or moor it at any other place without the consent of the owner if he deems it to be in the public interest;
 - h) moor a boat to another boat or to a marker, buoy or other navigational aid;
 - i) be towed behind a boat on any apparatus where in the opinion of an authorised officer, the towing poses a danger to the user or any other river users;
 - j) place any form of obstruction on or near the surface of the river;
 - k) be on the bow, forward deck or gunwale of the boat which is under way unless sufficient safety rails or guard rails have been installed;
 - l) sit on the bow of the boat when underway with their legs dangling over the water; except when assistance is being given in an emergency or when it is necessary to moor, recover or land the boat;
 - m) swim within fifteen meters either side of a slipway;
 - n) dive or jump from any part the of structure of a bridge crossing the river;
 - o) fish from any bridge or within fifteen meters either side of slipway;

- p) scuba dive or spearfish in the river, except where scuba diving has been approved by the harbour master;
 - q) leave a fishing line in the river unattended in or near a navigational channel;
 - r) catch fish with a gillnet;
 - s) catch fish without a license; or
 - t) via the river access land in the river or the river bank unless such area is designated a recreational area by the municipality.
- (7) Any person who contravenes a provision of this Section commits an offence.

6. Use Zones

- (1) The Municipality may designate any river, or any portion of any river or estuary into usage zones for boating and/or other purposes for environmental or safety reasons and may prohibit the use or operation of any boat or vessel in certain designated parts of the river.
- (2) The Municipality may restrict the size of any motor used on any river or estuary or any part of any river or estuary.
- (3) The Municipality may designate and manage public launch sites and public recreational sites along the river or estuary.
- (4) In order to exercise control over the use of the Berg River Estuary as well as recreational activities and the use of boats or vessels on the river, the Municipality has designated the zones below, as indicated on the map Schedule 2 and the co-ordinates indicated in Schedule 3, to be used as follows-
- (5) Zone A (Old Mouth Lagoon) - is a prohibited entry area;
- (6) Zone B (Fishing Harbour) is a zone where fishing and bait collection is permitted; water skiing is not permitted; scuba diving is only allowed with permission from the harbour master; the corridor in Zone B is the deepest part of the river between the Easterly (Upstream) Port Owen Marina entrance and the river mouth. It may be demarcated by buoys. Going up-river from the river mouth it follows the left river bank to the Port Owen Holding jetty from where it slowly moves across to the right river bank. In the corridor the minimum planing speed is permitted. The area outside the corridor is a no wake zone;
- (7) Zone C (Carinus Multipurpose Recreation Area) - is an area where all forms of water sport, fishing and bait collection are permitted; scuba diving is only allowed with permission from the harbour master;
- (8) Zone D (Conservation Area that includes Bokkomlaan) - is a zone where only sailing, canoeing, board sailing, swimming and fishing is permitted. Specifically prohibited in this area are kite boarding and water skiing as well as access to salt marshes and intertidal mudflats. Scuba diving is only allowed with permission from the harbour master. The corridor in Zone D is generally the center or deepest part of the river between the road bridge and the train bridge. It may be demarcated by buoys. Going up-river from the road bridge it follows the right or southern river bank past the 'De Plaat' mudflats from where it moves across to the left riverbank. In the corridor the minimum planing speed is permitted. The area outside the corridor is a no wake zone.
- (9) Zone E (De Plaat Conservation Area) - is a prohibited entry area;
- (10) Zone F (Kruispad Area) - is an area where all forms of water sport and fishing, except for scuba diving as defined, is permitted. Access to intertidal mudflats, salt marshes, sand banks as well as the adjacent private land without permission is prohibited.

- (11) Zone G (Kliphoek multipurpose recreation area) - is an area where all forms of water sport, fishing and bait collection, except for scuba diving, are permitted;
- (12) Zone H (Kersefontein/Langrietvlei recreation area) - fishing is only allowed with a permit from a registered licensed vessel and if from shore, with permission of the land owner;
- (13) This Zone is no longer within the Bergrivier Municipality boundary and is therefore excluded from this by-law;
- (14) Zone J (Port Owen Marina) is subject to POMA rules and regulations, as amended by POMA from time to time, which rules and regulations are incorporated into the provisions of this by-law; and
- (15) Tidal Zones - access from all zones to the tidal zone that includes mud flats, salt marshes and sand banks is prohibited;
- (16) No person may act in contravention of the provisions of any of the designated management zones.
- (17) Jet skis will only be permitted in the transition corridor between the Western (Downstream) Port Owen entrance and the sea and may travel at the minimum planing speed in a straight line only. No jet skis or water propelled craft may operate above the Westerly Port Owen entrance unless being used by a law enforcement body, the NSRI, or in an emergency.

7. Equipment required on board a boat or vessel

- (1) No person may use any boat or vessel on an estuary/ river, unless the safety equipment provided for in the applicable table in Annexure 2 (1) and (2) of the Merchant Shipping Act (57/1951): Merchant-Shipping (National Small Vessels Safety) Regulations, 2007 is on board such boat or vessel.
- (2) All life-saving apparatus on board a boat or vessel must be in good working condition and within easy reach for immediate and effective use.
- (3) The batteries and fuel of any boat or vessel must be kept in separate compartments and no fuel line may run through battery compartments. Both compartments must be sufficiently ventilated.
- (4) Any person who contravenes a provision of this Section commits an offence.

8. Rules for boating

- (1) You must be 16 years or older to operate a power craft and be in possession of a valid skippers license.
- (2) No person shall leave a vessel unattended in the water area, unless it has been properly anchored or moored, according to subsection (3) or removed to dry land at a safe height above the water level.
- (3) No boat or vessel may be moored or launched at any place other than that indicated or approved by the Municipality and an authorised officer or the Municipality may move any boat or vessel or moor it at any other place without the consent of the owner if he deems it to be in the public interest. Such movement shall be at the sole risk of the owner of the boat or vessel.
- (4) No boat or vessel shall be moored to any other boat or vessel or to a marker, buoy or other navigation aid.
- (5) The helmsman of any boat or vessel must ensure that he/she can at all times exercise full control over the boat or vessel while it is under way.
- (6) The helmsman of any boat or vessel towing a line, cable or rope for any purpose whatsoever, must ensure that he/she does not thereby endanger any other person

or cause any inconvenience.

- (7) No person may operate a boat or vessel or allow it to be operated in such a manner that it endangers or creates a nuisance to any other boat or vessel or the occupants thereof or other persons or property or installations in the water or at the water's edge including any boats or vessels moored to any jetty.
- (8) No power boat, which is under way and no person who is water-skiing in the water area, may approach closer than 10 m from any spot where people are swimming or closer than 10 m from the side of the river bank or closer than 10m from any other boat or vessel or any such other distance as determined by the Municipality unless:-
 - a) circumstances are such that the said distances cannot be maintained;
 - b) assistance is being given in an emergency situation; or
 - c) the power boat is fishing or any water-skier towed by it is landing or leaving the shore;

Provided that when the prescribed distances are not maintained, the power boat must immediately reduce its speed to less than 10 km per hour;

Provided that under circumstances where the prescribed distances cannot be maintained, the power boat must immediately reduce its speed to less than 10 km per hour;
- (9) No person shall be on the bow, forward deck or gunwale of any power boat which is under way unless adequate safety rails or guard rails have been installed, and no person shall jump or dive from any power boat which is under way, except when help is being given in an emergency or when it is necessary to moor or to land the power boat.
- (10) Where it is possible, a boat or vessel shall be piloted in such a manner that the median line of the water area shall always be on the port side of the boat or vessel. Power boats must move in an anticlockwise direction.
- (11) A power boat must keep clear of sailing boats and boats or vessels propelled by oars or paddles.
- (12) In the case of power boats, whenever two boats approach each other head-on or approximately head-on, each must alter course to starboard in such a manner that it passes the other on its port side and, subject to the provisions of subsection (8) at such a distance and at such a speed that the wake of either of the vessels shall not endanger the other.
- (13) In the case of power boats, no boat may pass another boat which is proceeding in the same direction, unless it is safe to do so. Such boat must, when it does so, pass the other boat on the port side unless it is clearly unsafe to do so or there is insufficient room to manoeuvre, and, subject to the provisions of subsection (8), at such a distance and at such a speed that its wake shall not endanger the other vessel or any towed skier. Slower traffic should thus operate closer to the right hand side of the water area to allow as much room as possible on their port side.
- (14) A boat or vessel which is being passed shall maintain its speed and direction until the passing boat or vessel is safely past.
- (15) In the case of power boats, whenever two boats approach each other in a manner other than referred to in subsections (12) and (13), the boat which has the other on its port side must maintain its speed and direction and the boat which has the other on its starboard side must keep clear and alter course to starboard so as to pass behind the other boat and must, if necessary, stop or reverse to avoid a collision.

- (16) Whenever two sailing boats are approaching one another in such a way as to involve risk of collision, the following right-of-way rules apply:-
- a) when each has the wind on a different side, the sailing boat which has the wind on the port side, shall keep clear by altering course to pass behind the other, or by going about, or by stopping; and
 - b) when both have the wind on the same side, the sailing boat which is to windward (upwind) must keep clear of the vessel which is to leeward (downwind);
 - c) For the purpose of this subsection, the windward side is the side opposite which the mainsail is carried.
- (17) To avoid collisions, a power boat must give way to other classes of boats or vessels, and a rowing boat or canoe must give way to a sailing boat when circumstances require it, notwithstanding the provisions of subsections (11), (12), (13), (14) and (15); provided that this By-law shall not give the right to the helmsman of any boat or vessel to unnecessarily obstruct or interfere with the course of any other vessel. It is the duty of every user of the water area to take all possible steps to avoid an accident, irrespective of whether they have right-of-way as provided for in this Section.
- (18) The helmsman of any boat or vessel must maintain a safe and cautious speed in any area where people are swimming, boats or vessels are moored, where angling is taking place or where buoys are placed and must at all times, and especially whenever visibility is obstructed due to fog or other causes, operate the boat or vessel under his control in such a manner that people, other boats or vessels or other property are not endangered.
- (19) No boat or vessel may follow closer than 100 m in the wake of a water-skier and the same applies to a boat or vessel towing a skier.
- (20) Boats or vessels leaving a slipway or jetty must give way to incoming or passing boats or vessels.
- (21) Jet skis will only be permitted in the transition corridor between the Western (Downstream) Port Owen entrance and the sea and may travel at the minimum planing speed in a straight line only. No jet skis or water propelled craft may operate above the Westerly Port Owen entrance unless being used by a law enforcement body, the NSRI, or in an emergency.
- (22) Except in the case of an emergency, no airplane may land in or take off from the water area.
- (23) No boat or vessel may be left on any slipway except for purposes of repair.
- (24) No person may operate a boat or vessel or allow it to be operated in such a manner that excessively large waves are generated. Estuaries are breeding grounds for fish and marine species and speeding causes large wave action.
- (25) No person may be towed behind a boat or vessel on any apparatus where in the opinion of an authorised officer, the towing of such apparatus poses a danger to the user or any other river users.
- (26) No person may operate or control a boat between the hours of one hour after sunset and one hour before sunrise upstream of Die Slot; notwithstanding this rule, navigation lights shall at all times be on and visible, in low light, misty or dark conditions.
- (27) Any person who contravenes a provision of this Section commits an offence.

9. Water-skiing where permitted

- (1) Water-skiing is only permitted as per the zone allocation demarcated areas as mentioned in Section 6 of this By-law
- (2) No person shall practice water-skiing on water unless an effective life-belt or other floating device is attached to his/her body.
- (3) The skipper shall ensure that the boat or vessel towing the skier is operated and controlled in compliance with Regulation 36 of the Regulations
- (4) The skier shall at all times comply with the provision of Regulation 36.
- (5) No steel or metal cable or steel wire shall be used to tow a water-skier.
- (6) The helmsman of any boat or vessel which tows a water-skier shall, before such water-skier is taken in tow, ensure that the water skier is familiar with the distress signal for water-skiers, namely drawing the hand across the throat.
- (7) No water-skiing is permitted between sunset and sunrise and the Municipality may also prohibit water-skiing at other times.
- (8) No boat or vessel shall tow a water-skier unless a second person older than 16 years is present in the boat or vessel to observe the water-skier.
- (9) No water-skier shall drop a water-ski except at a spot where the discarded water ski does not constitute a danger to any other water-skier or vessel.
- (10) As soon as a water-skier has dropped the towline, the towing boat or vessel must stop until the observer or other passenger has taken the towline on board. The boat or vessel must then travel at slow speed to reach the place where the tow will be resumed, or to take the skier on board, or to return to the place where the skier has gone ashore, as the case may be.
- (11) The operator of a boat or vessel towing a skier must display a red flag measuring a minimum of 500 mm by 500 mm to indicate any of the following conditions:-
 - a) a skier down in the water, or preparing to ski;
 - b) a tow line extended from the boat; and
 - c) a ski in the water in the vicinity of the boat.
- (12) Any prohibition or instruction in terms of this By-law or any management plan may be indicated by means of a sign, which may also specify the times and/or hours during which such activity shall be prohibited.
- (13) Any person who contravenes a provision of this Section commits an offence.

CHAPTER 2: PERMITTING OF BOATS OR VESSELS

10. Permitting of boats or vessels

- (1) Any person who intends to operate a power boat, house boat or pleasure vessel and water craft, power-driven of more than 15 hp, including jet-driven vessels (jet skis); but excluding self-regulated under Regulations 37 vessels (from the Regulations), on the estuary and river must apply in writing on the prescribed form to the Municipality for a permit for such a boat or vessel.
- (2) An application submitted in terms of subsection (1) must be accompanied by an application fee as determined by the Municipality.
- (3) A boat or vessel in respect of which an application for a permit has been made in terms of subsection (1), must be made available for examination by an

authorised officer at a date, place and time determined by the authorised officer unless such applicant is advised by the authorised officer that such examination is not required.

- (4) The Municipality may, in the interests of safety and environmental sustainability or to ensure compliance with this By-law, limit the number of boats or vessels on a river by limiting the permits to be issued in any given year in respect of any river.
- (5) The Municipality must consider an application submitted in accordance with subsection (1) and (2) and may either refuse such application or approve it with or without conditions.
- (6) The Municipality must refuse or cancel an application if it is satisfied that the operation of the boat or vessel is or will:-
 - a) be a source of pollution in a river or the vicinity of a river;
 - b) cause a nuisance;
 - c) constitute a danger to persons using it, or to members of the public or any section of the public;
 - d) disturb or damage sensitive fauna or habitat;
 - e) be inappropriate for the area and nature of the river; or
 - f) create wakes or waves which may create a nuisance to riparian owners or cause unacceptable risk of damage to the environment.
- (7) A permit-
 - (a) must specify its date of expiry and the identification number allocated to the boat as detailed on the certificate of fitness; and
 - (b) is not transferable from any person to another or from one boat to another except where an owner of a permitted boat in terms of this by-law transfers the permit to another boat belonging to him with the written permission of the Municipality.
- (8) A permit can ONLY be transferred when it is the same owner.
- (9) The skipper of a boat or vessel must ensure that the permit is affixed to the boat or vessel in such a manner that it is clearly visible for inspection.
- (10) If a vessel is sold and still operative within the Berg River Estuary, a new permit and sticker must be obtained, except when it is the same owner. Only then can the permit be transferred.
- (11) Provide the Municipality with a written request for a transfer permit request. Also state in this written request that the same owner will be the applicant for the new vessel as well.

Complete new application form

The expiry date will be the same as the expiry date from the original permit

The original/ 'old' application form (White page) and the removed permit disc (even if torn, must be removed from the vessel), to be submitted. This to be attached to the new application form (yellow page), which is filed and submitted with all other yellow pages from the permit application forms to Bergrivier Municipality. This is then the proof that the original permit was cancelled.

A Note to be made on the yellow form that this is a transfer and to include the original details

If the transfer is to a vessel of the same size or smaller size; the same or smaller engine capacity; no fee is charged

If the transfer is to a vessel of a longer length and greater engine capacity; the difference to be paid by the applicant

- (12) The application must specify the permit holder, the maximum number of persons permitted to be carried in the boat or vessel, the type and overall length of the boat or vessel, the maximum power of the motor, the identification number allocated to the boat or vessel and the date of expiry of the permit.
- (13) The Municipality must provide reasons in the event of it refusing to permit a boat or vessel.
- (14) The Municipality reserves the right to limit the number of permits per permit holder.
- (15) Any person who contravenes a provision of this Section or who makes a false declaration in any application commits an offence.
- (16) The use of the river/ estuary is by the owners own risk and the Municipality will not be held liable for any injury/ fatality or damage to any person or vessel or any other equipment used in the river/ estuary.

11. Automatic lapsing or cancellation of permits

- (1) A permit of a boat or vessel shall lapse automatically if such boat or vessel has been removed by or on the authority of the Municipality in terms of Section 15(4) on account of pollution caused by the discharge of petrol or oil in a river.
- (2) If the Municipality is of the opinion that a boat or vessel no longer qualifies for permitting in terms of this By-law or in terms of any conditions on which the permit was issued, the permit may be cancelled after notice of thirty days to that effect has been given to the permit holder, at the address on the permit.

12. Cancellation of permits

- (1) The Municipality may cancel any permit if:-
 - a) it is satisfied that the boat or vessel in respect of which such permit was issued is no longer seaworthy, or is a source of pollution in the vicinity of a river, or is operated in a manner which constituted a nuisance or danger to other boats or vessels or to the public or any Section of the public;
 - b) the boat or vessel is transferred, sold or disposed of or if the Municipality is satisfied that the permit holder has ceased to exercise control over the said boat or vessel or to supervise it;
 - c) the permit holder has been convicted of an offence relating to the operation or control of a boat or vessel in terms of this By-law; or
 - d) any information provided in any application form is incorrect.
- (2) If the Municipality cancels any permit in terms of this By-law, an authorised officer must forthwith notify the permit holder in writing of such cancellation, at the address appearing on the application form.

CHAPTER 3: FIXING OF TARIFFS AND FEES

13. Fixing of tariffs, fees and levies

- (1) The Municipality may determine tariffs, fees and levies for the permitting of boats or vessels and the provision of permit discs in respect of rivers or any particular river.
- (2) In fixing tariffs, fees and levies in terms of subsection (1), the Municipality may

distinguish between various classes of boats or vessels making use of a river or any facilities, or in respect of their size, method of propulsion or use, or may make any other distinctions which, in the opinion of the Municipality, are relevant in fixing such tariffs or fees.

- (3) Any application for the permitting of a boat or vessel and the use of any facilities by a boat or vessel or for a temporary permit shall be accompanied by the prescribed fees as determined by the Municipality.
- (4) All income derived from permits issued for recreational activities in terms of this By-law must be allocated to the control of recreational activities or maintenance of public infrastructure in and around the river from which the income was derived or both the control and maintenance.

CHAPTER 4: SPECIFIC PROVISIONS RELATING TO ENVIRONMENTAL PROTECTION

14. Pollution of rivers and estuaries

- (1) No person, except with the permission of the Municipality in compliance with the provisions of any relevant legislation, may allow the discharge from any boat or vessel of any sewerage, effluent or any other waste (including fish remains) and wastewater into a river.
- (2) No substance such as petrol, oil or any toxic or noxious substance shall be deposited or disposed of in a river.
- (3) No person may throw bottles, cans, garbage or refuse of any kind whatsoever into the water or onto abutting land or any facility except in receptacles furnished for that purpose.
- (4) No person shall by any act or omission, whether directly or indirectly, allow a nuisance or the creation or continuation of a source of danger, or allow any interference with the convenience or comfort of persons in the vicinity of the river.
- (5) Any person fouling or polluting the river, any land adjacent thereto or any facility in connection therewith shall be guilty of an offence.
- (6) Ensure compliance to the Bergrivier Municipality Solid Waste disposal By-law and the Bergrivier Municipality By-law relating to Water supply, Sanitation services and Industrial effluent and the Bergrivier Municipality By-law relating to the prevention of public nuisance and public nuisance arising from the keeping of animals.

15. Management plans for specific rivers

- (1) The Municipality may compile and publish management plans for control and use of boat or vessel on all the rivers in its area of jurisdiction.
- (2) The management plans contemplated in subsection (1) may provide for rules, including, but not limited to:-
 - a) the use of boats or vessels on the rivers and the sizes and numbers to be allowed;
 - b) safety on the rivers;
 - c) pollution of rivers;
 - d) erection of structures and facilities;

- e) demarcation of areas for usage;
 - f) the organisation of public events and regattas; and
 - g) protection of fish, bird- or animal life and vegetation.
- (3) The management plans contemplated in subsection (1) must be subject to a public participation process involving communities and interest groups.
- (4) The management plans contemplated in subsection (1) will, if compiled and published, become effective and the provisions of such management plans will enjoy preference in the event of any conflict with the provisions of this By-law.
- (5) A person who fails to comply with any directives, conditions or rules laid down in a management plan contemplated in subsection (1) commits an offence.

CHAPTER 5: POWERS OF AUTHORISED OFFICERS

16. Powers of authorised officers

- (1) Any person who operates an unpermitted boat or vessel on the estuary or contravenes any provision of this By-law, may be ordered by an authorised officer to remove such boat forthwith from the estuary or cease such contravention, and non-compliance with such order shall constitute an offence.
- (2) Any authorised officer shall have the right to board a boat or vessel at any time and to inspect it for the purposes of ensuring compliance with the provisions of this By-law.
- (3) Any person who is authorised in writing by the Municipality may, in the water area:-
- a) require the helmsman to produce the permit which has been issued in respect of the boat or vessel concerned;
 - b) investigate and test any boat or vessel or part thereof or any equipment thereon in order to determine whether the vessel is suitable for navigation on or in the water and whether any particular provision of this By-law has been complied with;
 - c) call for any information regarding the boat or vessel from the helmsman and may, if the helmsman is unable to furnish the information, order him/her to remove the boat or vessel forthwith from the water area until such time as the request can be complied with;
 - d) require the helmsman to furnish his/her name and address or the name and address of the owner of the boat or vessel and any other information required for identification purposes;
 - e) require any other person in the boat or vessel other than the helmsman, to furnish his/her name and address as well as any other information required for the identification of the helmsman or the owner of the boat or vessel;
 - f) if it appears to him/her that the helmsman of any boat or vessel is, for whatever reason, not capable of steering the boat or vessel or of controlling it, forbid the helmsman temporarily from continuing to steer or remain in control of the boat or vessel and may make any arrangements which in his/her opinion are necessary or advisable for the safe disposal of the boat or vessel;
 - g) if it appears to him that the load or number of persons transported in any

boat or vessel is more than that stated on the registration certificate or more than can be transported in reasonable safety under prevailing conditions, forbid the helmsman of such a boat or vessel to proceed until the load or the number of persons has been reduced in the manner he considers necessary or advisable;

- h) if it appears to him that any boat or vessel or part thereof is un-navigable in or on the water, order the helmsman to remove the boat or vessel forthwith from the water area until such time as the boat or vessel or part thereof has been made navigable in or on the water;
 - i) if it appears to him/her that any of the equipment prescribed by this By-law is not on board the boat or vessel or in a good working condition or not easily available for immediate use on board, order the helmsman to remove the boat or vessel forthwith from the water area until such time as all the provisions of this By-law regarding equipment have been complied with;
 - j) remove any fishing rod or line that has been left unattended from the vicinity of the estuary if, in his opinion, the rod or line constitutes a threat to the safety of others;
- (4) No person may:-
- a) (a) obstruct or interfere with any authorised officer whilst the latter is engaged in the execution of his duties; of
 - b) (b) refuse to furnish his or her correct name and address when requested to do so by an authorised officer.
- (5) A person who contravenes any provision of subsection (4) commits an offence.

17. Removal of boat or vessel from the river

- (1) If the owner of an unpermitted boat or vessel fails to remove such boat or vessel from the river or estuary after having been requested to do so by the Municipality or any authorised officer, the Municipality may remove such boat or vessel forthwith.
- (2) In the event of the Municipality cancelling any permit, or if any permit expires or lapses in terms of this By-law, the owner of the boat or vessel, the permit of which has expired or lapsed or has been cancelled, shall immediately remove such boat or vessel from the river.
- (3) If the owner of a boat or vessel, the permit of which has expired or lapsed or has been cancelled, fails to remove such boat or vessel from the estuary within thirty days after such permit has expired or lapsed or after notification to him/her of the said cancellation, the Municipality may remove such boat or vessel forthwith.
- (4) Any boat or vessel in or on a river or estuary for which the fees as prescribed by the Municipality are in arrears for more than thirty days, may be removed from the river by the Municipality after written notice has been given to the owner or permit holder.
- (5) If, in the opinion of the Municipality, any boat or vessel constitutes a danger in the estuary or causes pollution by the discharge of petrol or oil, such boat or vessel may be removed forthwith by the Municipality.
- (6) Where the Municipality is entitled to remove a boat or vessel, an authorised officer may make any arrangements considered necessary by him/her to ensure the removal of such boat or vessel, and the Municipality may recover the cost

- of such removal from the owner.
- (7) If a boat or vessel removed from the river in terms of the provisions of By-Law is not claimed within ninety days after such removal the Municipality may seize such boat or vessel by Court Order to claim fees in arrears.

CHAPTER 7: HOUSEBOATS

18. Houseboats

- (1) No person may, in the water area, keep or use any houseboat without the prior written approval of the Municipality.
- (2) The owner of any houseboat wishing to use it on the river must apply to the Municipality by completion of the prescribed form and payment of the prescribed fee. The application must contain full details pertaining to the construction, size, and method of propulsion, intended use and area of operation. Furthermore, the applicant must satisfy the Municipality that the houseboat has sufficient facilities to store any rubbish, waste or sewerage generated on board the houseboat.
- (3) The Municipality may request any further detail pertaining to the houseboat which it deems necessary to enable it to decide whether to grant authorisation or not.
- (4) The houseboat, in respect of which the application has been made, must be submitted for examination by an authorised officer of the Municipality at a date, place and time appointed by the authorising officer.
- (5) The Municipality, in granting authorisation to keep or use a houseboat on a river may impose such conditions as it deems necessary in the interests of safety or to limit the impact of the houseboat on other users of the river.
- (6) The Municipality is entitled, at its sole discretion to limit the number of houseboats operating on the river.
- (7) Any authorisation granted by the Municipality shall be valid for a period of 12 months, where after it shall automatically lapse and thereafter the owner of the houseboat must submit an application for permission as provided herein.
- (8) The owner of a houseboat used on a river must ensure that all persons operating the houseboat shall have the necessary skill to control the houseboat.
- (9) No houseboat shall be allowed to remain anchored at any place on the river for a period longer than 24 hours, without the written permission from the Municipality.
- (10) Every houseboat shall be required to obtain the relevant safety certification from the South African Maritime Safety Authority (SAMSA).
- (11) Houseboats, both pleasure and commercial shall pay a set tariff fee and has an option of either a 30 Day Permit or Annual Permit.

CHAPTER 8: GENERAL PROVISIONS

19. Delegation of power

The Municipality may delegate and or transfer any powers conferred on it under this By-law with the exception of the power to levy or determine fees, to any person or persons or organisation.

20. Exemption from liability

- (1) The Municipality shall not be liable for any injury which is sustained by any person using a river or any other facilities or for damage to any property thereon, whatever the cause may be.
- (2) The Municipality as a whole, individual Councillors, any person in the service of the Municipality, any authorised officer or any person or organisation to whom the Municipality has delegated any powers in terms of this By-law shall not, except in the event of any wilful act or omission on the part of the Municipality or the said person or organisation, be liable for any loss or damage which results from any loss of or damage to property which is caused by or arises out of or in connection with anything which is done or performed in good faith in exercise or performance of a power or duty conferred or imposed in terms of this By-law.

21. Exemptions

- (1) Any person may by means of a written application, in which the reasons are given in full, apply to the Municipality for exemption from any provision of this By-law.
- (2) The Municipality may:-
 - a) grant an exemption in writing and the conditions in terms of which, if any, and the period for which such exemption is granted must be stipulated therein;
 - b) alter or cancel any exemption or condition in an exemption; or
 - c) refuse to grant an exemption.
- (3) An exemption does not take effect before the applicant has undertaken in writing to comply with all conditions imposed by the Municipality under subsection (2); however, if an activity is commenced before such undertaking has been submitted to the Municipality, the exemption lapses.
- (4) If any condition of an exemption is not complied with, the exemption lapses immediately.

22. Appeal

A person whose rights are affected by a decision of the Municipality may appeal against that decision by giving written notice of the appeal and the reasons therefore in terms of Section 62 of the Local Government: Municipal Systems Act, Act 32 of 2000 to the municipal manager within 21 days of the date of the notification of the decision.

23. Penalties

A person who has committed an offence in terms of this By-law is liable upon conviction to a fine or imprisonment, or either such fine or imprisonment or to both such fine and such imprisonment and, in the case of a continuing offence, to an additional fine or an additional period of imprisonment or to such additional imprisonment without the option of a fine or to both such additional fine and imprisonment for each day on which such offence is continued and, a further amount equal to any costs and expenses found by the Court to have been incurred by the Municipality as result of such contravention or failure.

It is an offence to-

- (a) Furnish false information to an authorised person in respect of any issue pertaining to this by-law;
- (b) To refuse to co-operate with the request of an authorised person made in terms

- of this by-law; or
- (c) To fail to comply with any notice issued in terms of this by-law.

24. Repeal of By-laws

The provisions of any By-laws previously promulgated by the Municipality or by any of the disestablished municipalities now incorporated in the Municipality, are hereby repealed as far as they relate to matters provided for in this By-law, and insofar as it has been made applicable to the Municipality by the authorisation for the execution of powers and functions in terms of Section 84(3) of the Local Government: Municipal Structures Act, Act 117 of 1998.

SCHEDULE 3

(Section 6 (3) - Use Zones)

The latitude and longitude co-ordinates of the points (1) to (25) in the explanation of the Zones below are contained in the table at the end of Zone I (Upper Berg estuary)

Zone A (Old Mouth Lagoon)

- **Downstream (northern) boundary:** a line drawn through the point (1) and point (2), situated at on the south bank of the estuary respectively where the old mouth joins the main channel.
- **Lateral and upstream (southern) boundaries:** A line that follows the SHWM between points (1) and (2).

Zone B (Fishing Harbour)

- **Downstream boundary:** a line joining point (3) situated on the southern bank of the estuary and point (4) situated on the northern bank of the estuary.
- **Upstream boundary:** a line joining point (5) situated on the north bank of the estuary and point (6) situated on the south bank of the estuary opposite the mouth of the Port Owen Marina.
- **Lateral boundary (N):** A line that follows the SHWM linking point (4) with point (7), a straight line from here to point (8) (spanning the lower entrance to the Port Owen Marina), and from here on a line following the SHWM to point (9) and from here on a straight line to point (5).
- **Lateral boundary (S):** A line that follows the SHWM linking point (3) with point (1), a straight line from here to point (2), and following the SHWM from here to point (6).

Zone C (Carinus Multipurpose Recreation Zone)

- **Downstream boundary:** As for Zone B upstream boundary.
- **Upstream boundary:** a straight line joining point (10) and point (11)
- **Lateral boundary (N):** A line that follows the SHWM linking point (5) and (10).
- **Lateral boundary (S):** A line that follows the SHWM linking point (6) and (11).

Zone D (Conservation Area)

- **Downstream boundary:** As for Zone C upstream boundary.
- **Upstream boundary:** a straight line joining point (12) and point (13).
- **Lateral boundary (N):** A line that follows the SHWM linking point (10) and (12).
- **Lateral boundary (S):** A line that follows the SHWM linking point (11) and (13).

Zone E (De Plaat Conservation Area)

- **The area encircled** by a line that follows the SHWM linking point linking point (14) and point (15), and a straight line joining these two points.

Zone F (Kruispad Conservation Area)

- **Downstream boundary:** As for Zone D upstream boundary.
- **Upstream boundary:** a straight line joining point (16) and point (17).
- **Lateral boundary (N):** A line that follows the SHWM linking point (12) with point (16).
- **Lateral boundary (S):** A line that follows the SHWM linking point (13) with point (18), and a straight line from here to point (19), and a line following the SHWM from here to point (20), and a straight line from here to point (21), and a line from here that follows the SHWM to point (17).

Zone G (Kliphoek multipurpose recreation zone)

- **The area encircled** by a line that follows the SHWM linking point linking points (18) and (21), a straight line joining points (18) and (19), and points (20) and (21), and a that follows the SHWM linking point linking points (19) and (20).

Zone H (Kersefontein/Langrietvlei recreation area)

- **Downstream boundary:** As for Zone F upstream boundary.
- **Upstream boundary:** a straight line joining point (22) and point (23).
- **Lateral boundary (N):** A line that follows the SHWM linking point linking points (16) and (22).
- **Lateral boundary (S):** A line that follows the SHWM linking point linking points (17) and (23).

Zone I (Upper Berg estuary)

- **Downstream boundary:** As for Zone H upstream boundary.
- **Upstream boundary:** a straight line joining point (24) and point (25)
- **Lateral boundary (N):** A line that follows the SHWM linking point linking points (22) and (24).
- **Lateral boundary (S):** A line that follows the SHWM linking point linking points (23) and (25).

Zone J (Port Owen Waterway that includes the Marina basin)

- **West entrance of Port Owen:** A direct line between points (7) an (8)
- **East entrance of Port Owen:** A straight line joining point (9) and point (5)
