All Service Providers (SP's) and potential bidders

Dear Sir/Madam

Incomplete documentation in terms of bidding processes.

With reference to the judgment of the Supreme Court of Appeal case number 937/2012 Dr JS Moroka Municipality vs. Bertram (PTY) Limited 2013 JDR 2728 SCA the following:

“In our view the judgment supports the proposition that a Municipality determines the requirements for a valid tender and a failure to comply with the prescribed conditions of tender will result in such tender being disqualified as it would not be an 'acceptable tender' as defined in the Preferential Procurement Policy Framework Act 5 of 2000 unless the prescribed conditions are immaterial, unreasonable or unconstitutional.

Therefore, provided that the relevant tender document makes provision for **an original tax clearance certificate and/or any other certificates/documents** as a prescribed minimum prerequisite and/or peremptory requirement in order for such tender to be considered an 'acceptable tender' and to pass the threshold requirement for consideration and evaluation, and a tenderer fails to provide same, the Municipality would be within its rights to disqualify such tender/tenderer.”

Therefore, BERGRIVIER Municipality will with immediate effect exclude all offers from bidders if the required documentation is not handed in/or attached with the original bidding documents.
